Subject to the terms of this Agreement and in consideration for the payment of fees set forth on the applicable Offer, solely during the applicable Subscription Period, GroupBy hereby grants to Customer a non-exclusive, worldwide, royalty-free, non-transferable license, subject to the limitations set forth in the applicable Offer to: (a) access and use the GroupBy Search Service solely for Customer's internal business purposes, (b) integrate the GroupBy Search Service into the Application(s) identified on the Offer, and provide the GroupBy Search Service, solely as integrated into such Application(s), to End Users, and (c) use any Software provided by GroupBy as part of the GroupBy Search Service. Customer may not sublicense or transfer these rights to any third party or permit any third party to use the GroupBy Search Service except as expressly permitted under this Agreement. Customer shall be liable for any breach of this Agreement by any of its End Users.

2. Customer Data.

During the term of this Agreement, Customer hereby grants to GroupBy a royalty-free, non-exclusive, right to collect, use, display, and transmit the Customer Data and access and use the Applications to provide the GroupBy Search Services to Customer and to help secure and improve the Services.

3. Open-Source Components

The GroupBy Search Service may contain or be accompanied by certain third party embedded open-source software components ("Open-Source Components"). Such Open-Source Components do not require Customer to pay any additional fees to any third party. These Open-Source Components, if any, are identified in, and subject to, special license notices, terms and/or conditions as set forth in the Documentation ("Open-Source Notices"). The Open-Source Components do not include Excluded Open-Source Code. "Excluded Open-Source Code" means any software program, or portion thereof, that is licensed under a license that requires as a condition of use, modification, and/or distribution of the software subject to the license, that such software or other software combined and/or distributed with such software be (i) disclosed or distributed in source code form; (ii) licensed for the purpose of making derivative works; or (iii) redistributable at no charge.

4. Service Level Agreement

GroupBy shall use commercially reasonable efforts to provide the GroupBy Search Service in compliance with the Service Level Agreement ("SLA") attached to this Appendix B as Schedule 1.

SCHEDULE 1 TO APPENDIX B – SERVICE LEVEL AGREEMENT

1. Definitions.

“**Downtime**” means a loss of external connectivity and/or persistent disk access for all running Instances that are hosted across two or more zones combined with the inability to launch replacement Instances in any zone. Downtime does not include Scheduled Downtime or Exclusions.

“**Downtime Period**” means a period of five consecutive minutes of Downtime. Intermittent Downtime for a period of less than five minutes will not be counted towards any Downtime Periods.

“**Instance**” means a virtual machine instance, configured, and managed by Customer, which runs on the GroupBy Search Service. Instances are more fully described in the Documentation.

“**Monthly Uptime Percentage**” means total number of minutes in a month, minus the number of minutes of Downtime suffered from all Downtime Periods in a month, divided by the total number of minutes in a month.

“**Scheduled Downtime**” means Downtime resulting from GroupBy performing maintenance on the GroupBy Search Service during a Maintenance Window. “Maintenance Window” means a period of time when certain zones are taken offline for maintenance tasks. Customer may view the timing and duration of Maintenance Windows via the Admin Console.

2. Service Commitment. GroupBy shall provide the GroupBy Search Service with a Monthly Uptime Percentage of at least 99.95% during any monthly period during the Subscription Period (the “Service Commitment”).

3. Financial Credit. The Financial Credit shall be equal to the Monthly Uptime Percentage of monthly bill if the GroupBy Search Service does not meet SLA:

99.00% -< 99.95% 10%

95.00% -< 99.00% 25%

< 95.00% 50%

To receive any Financial Credit(s) described above, Customer must notify GroupBy technical support within thirty (30) days from the time Customer becomes eligible to receive a Financial Credit. Customer must also provide GroupBy with server log files showing loss of external connectivity errors and the date and time those errors occurred. If Customer does not comply with these requirements, Customer will forfeit its right to receive a Financial Credit. If a dispute arises with respect to this SLA, GroupBy will make a determination in good faith based on its system logs, monitoring reports, configuration records, and other available information, which GroupBy will make available for auditing by Customer at Customer’s request. The aggregate maximum number of Financial Credits to be issued by GroupBy to Customer for any and all Downtime Periods that occur in a single billing month will not exceed 50% of the amount due by Customer for the GroupBy Search Service for the applicable month. Financial Credits will be made in the form of a monetary credit applied to future use of the GroupBy Search Service and will be applied within 60 days after the Financial Credit was requested. In the event the Monthly Uptime Percentage falls below 90% for two consecutive months, Customer may terminate this Agreement by providing written notice to GroupBy. Such notice must be provided within thirty (30) days from the time Customer becomes eligible to terminate pursuant to this provision. The remedies set forth above in this Section 3 of this SLA are Customer’s sole and exclusive remedy and GroupBy’s only liability for any failure by GroupBy to meet the Service Commitment.

4. Exclusions. The Service Commitment does not apply to any unavailability, suspension or termination of the GroupBy Search Service, to any Services other than the GroupBy Search Service, or any other GroupBy performance issues: (a) that result from features designated Alpha or Beta (unless otherwise set forth in the associated Documentation), (b) that result from features excluded from the SLA pursuant to the associated Documentation, (c) that result from errors: (i) caused by factors outside of GroupBy’s reasonable control, including any force majeure event or internet access or related problems beyond the demarcation point of the Subscription Service; (ii) that resulted from Customer’s software or hardware or third party software or hardware, or both; (iii) that resulted from abuses or other behaviors that violate the Agreement; (iv) that resulted from quotas applied by the system and/or listed in the Admin Console; (v) that result from malicious or aggressive bots or denial of service attacks; or (vi) that result from termination or suspension of the GroupBy Service as authorized by the Agreement.

As part of such internal business purposes, Customer is permitted to use and display the Enrich Data only on the Applications that are set forth on the applicable Offer.

- 11.1. Customer shall not (or permit any third party to) access or use the Enrich Data for any purpose or use other than the permitted use set forth in this Agreement and the applicable Offer. Without limiting the foregoing, Customer shall not (or permit any third party to) (a) access or use the Enrich Data for the benefit of any third party, and may not distribute (or otherwise provide access to) the Enrich Data to any third party for their own use; (b) access or use the Enrich Data for any product that is not the specific product to which the Enrich Data was assigned by GroupBy; (c) monetize, sell or license the Enrich Data; or (d) use the Enrich Data to create a service or product that is competitive to the Services or to copy any ideas, features, functions, tags, text or graphics of the Enrich Data, or to support a third party in creating competitive products services. GroupBy reserves all rights to the Enrich Data not expressly granted to Customer in this Section. All the foregoing restrictions shall survive termination of this Agreement for any reason.
